CM-IN 3100

To: Attaches

Date of Communication:

From: Sec. State Marshall

Date of Basic Document: 11 May 1948

BRIEF SUMMARY:

Arrangements have been worked out between the Department of State and Depts of Army and Navy whereby the Dept of State has agreed to supply service for cryptographic equipment held by Military and Naval Attaches when required and when convenient to the Foreign Service establishment providing the service. Technicians are hereby instructed to make themselves available to Military and Naval Attaches whenever servicing equipment at any location where Ma's or NA's are assigned.
